Resourced Provisions in Bradford

A One Minute Guide

What is a Resourced Provision?

Resourced Provisions (RP) are within a mainstream school/academy, designed to provide specialist and targeted support for children and young people with an Education, Health and Care Plan. Children accessing a RP will be on the roll of the mainstream school and will be fully supported by the specialist staff and the staff of the mainstream school working in partnership. The children and young people have access to both mainstream provision and the Resourced Provision, dependent on individual needs and will therefore be eligible to access all activities and opportunities available to all school pupils.

The RPs have dedicated space within the school which is for the sole use of the children and young people accessing the provision. It is important to understand that they are not separate to the school, nor are they special schools or units. Their purpose is to offer specialist support to enable the children and young people to access a mainstream education.

In Bradford there are three delivery models for Resourced Provisions. Specialist provision can either be school led or Local Authority led. These provisions are known as:

- Resourced Provision – School Led (RP- SL)
- Resourced Provision – Local Authority Led (RP-LA)
- Additionally Resourced Centre – Local Authority Led (ARC-LA)

Resourced Provisions (LA) and Additionally Resourced Centers are led by the Council's Specialist Teaching and Support Service, having the overall strategic lead and responsibility for all of the LA led Resourced Provisions in the Bradford District. Resourced Provisions led by the school are staffed and managed by the school/academy.

List of Resourced Provisions in Alphabetical Order

Name	Type	Provision	Phase of Education
