

## WROSE ADVENTURERS

### ***Where everybody's a friend***

Wrose Adventurers is an association set up for young people aged between 11 and 25, with Asperger's syndrome or high functioning autism. We are a small and friendly group, based at Highcroft Youth Centre in Wrose, Shipley. Our members come from all over the Bradford District, to have fun, play games and socialise.

We meet from 7.00pm till 9.00pm every Wednesday night during term time. Most parents don't stay, but you are welcome to do so if you wish - to enjoy a chat with other parents and carers over a cup of tea. We also organise special treats such as bowling, trips to the cinema and meals out, all of which are very popular.

Our informal social skills club is supported by experienced staff and a dedicated group of volunteers. We are managed by a parent-carer committee, and rely on small voluntary sector grants to keep running.

We have a member subscription which is currently £3 per session, which members pay on the night. We ask for an additional contribution towards some activities e.g. bowling trips.

Over the past few years we have organised additional programmes of activity for our members, including drama / performing arts, and outward bound trips. We also have access to a sports hall, which we can use for a range of physical activities for those members who wish to take part, including badminton, self-defence classes, climbing wall and other sports.

Wrose Adventurers welcomes new members, and is always happy to hear from new volunteers to work with the group. Our ethos is to provide a relaxed, safe and happy atmosphere to enable our members to enjoy themselves, and feel at home.

If you are interested in finding out more about who we are or what we do, please contact our Coordinator, Claire Drake on: 07786551834 or email:
