

Learn. Connect. Be stronger.

Friends & Family Hub

For families of children with disabilities and learning difficulties

Do you have a friend or family member who is a child / young person (0-25) with a learning difficulty or disability?

Would you like to connect with others, listen to guest speakers, share information, or learn new skills?

WE ARE HERE FOR YOU

- Opportunities to connect with other parents and carers in friendly groups (face-to-face & online)
- Easy walks, to chat and enjoy the outdoors
- Qualified one-to-one advice and support
- Online resources
- WhatsApp peer support groups
- Regular information events with guest speakers and trainers

No commitment required – just here when you need us
